Dear Arizona Department of Agriculture,

After thorough inspection of the facility, discussion with the employees, and observation of the horses it is evident Reigning Grace Ranch has gone above and beyond the standard requirements. They maintain a very clean, well managed organization. Each animal is evaluated and their housing, feeding and medical needs are addressed individually.

Reigning Grace Ranch has done an excellent job keeping up on preventative care, being cognizant of resident population size and working closely with the veterinary staff in all aspects of equine management. I believe this ranch easily surpasses adequate standards and goes above and beyond for their horses.

Sincerely,

A handwritten signature in black ink, appearing to read "Nicole Tavel".
